Welcome to Mt Si

In the shadow of Mount Si sits a small country church, wonderfully illuminated by the light of God. We are the church that shares a living, daring confidence in God's grace. Liberated by our faith, we embrace you as a whole person with all your complexities, gifts, questions, and challenges. Join us as we do God's work in Christ's name for the life of the world. We believe our mission is to serve, reach out and grow in grace. ALL are welcome to join us in this quest.

Our Mission

Serve

Mt Si Lutheran is a Christ centered community in service to others.

Reach Out

We are following Christ's Great Commission; fostering disciples, teaching Christ's command to love God and love our neighbor, all through the gifts of the Holy Spirit.

Grow In Grace

As we grow in understanding of God's unconditional acceptance and forgiveness, we encourage others to grow in the biblical principles of faith, hope and love.

A MESSAGE FROM PRESIDING BISHOP YEHIEL CURRY

Dear friends in Christ,

As Lutherans, we are set free to love our neighbors and seek justice. In Colossians 2, we read: “As you therefore have received Christ Jesus the Lord, continue to walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving” (6-7).

I am abounding in thankfulness for you, church. You are an integral part of this mission as we envision a world experiencing the difference God’s grace and love in Christ make for all people and creation. The ministries of congregations including yours, our synods and the ELCA churchwide organization are all working together today and every day so more people may know the way of Jesus and discover community, justice and love. From providing food to people experiencing hunger, to helping train the next generation of leaders that will lead this church, your support is at work here at home and around the world.

Your generosity to each of the three expressions of the church — your congregation, your synod and the churchwide organization — has made it possible for us to do this work

together. Your financial resources, your time volunteering and accompanying others, and your voices are so valued.

As we look ahead to the coming year, I encourage you to continue to walk in Christ, remembering you are rooted and established in faith, and free to love and serve your neighbors. Thank you, church, for the ways you connect with and support our siblings across the ELCA and in our communities.

In Christ,

The Rev. Yehiel Curry
Presiding Bishop
Evangelical Lutheran
Church in America

“As you therefore have received Christ Jesus the Lord, continue to walk in him, rooted and built up in him and established in the faith, just as you were taught, abounding in thanksgiving.”

—Colossians 2:6-7

January 2026

Northwest Washington Synod
Evangelical Lutheran Church in America

Dear Beloveds in Christ,

Grace and peace to you from the Triune God who – always and without end – creates, loves, gathers and meets us in every unknown.

I am so thankful for all of you as we journey together in the Northwest Washington Synod. Every time you gather together in worship, work within your community, respond to crisis situations, sit at a bedside, advocate for justice, contribute financial gifts, collaborate with other faith communities, and so much more, you are connecting to something larger – the community of Christ here in the synod and throughout the world. I am grateful for the ways that together we are being church: living into our faith by trusting in God's grace and, in response, serving and working in this world. I am grateful that even in these uncertain and fraught times we are promised that God not only meets us in difficulty but continues to call us together and continues to call us towards the future – perhaps in ways we can't even perceive of right now.

I am reminded of the story of Moses encountering God in the burning bush (Exodus 3). When Moses said yes to God's call, Moses was saying yes to a great unknown future: Leading a bunch of stiff-necked people, lots of plagues, lots of complaining, a golden calf, fighting in the group and fighting outside the group, and more. We could say that those forty years were uncertain and fraught times. We could say, as Moses undoubtedly thought from time to time, "Where is God in the middle of all of this?"

But God never abandoned Moses or the people. Never. In the Exodus story God is right there in the middle of the mess. God led the people out of slavery. God showed the way through light and darkness as they escaped. In the wilderness, God gave the gift of manna so they wouldn't starve, quail when they wanted meat, and water made clean from bitterness. God brought healing when there was illness. God even lifted up people to leadership when Moses was exhausted from the burden of leading. When there was chaos, God gave commandments and when there was sin and rebellion, God granted forgiveness time and time again. While Moses might have wondered about God's presence, the Exodus story shows God was always right there. Always.

In these fraught and uncertain times, in these times when we are not sure of what is next and what the future holds, may we all remember Moses' story. May we remember that God provided Moses and all the people everything they needed – even when they didn't know what they needed. May we, as we journey together, trust and hope that God is providing everything we need, as well. May we know that God is giving us resources, courage, partners, and food for the journey.

I encourage you, during your annual meeting and beyond, to have conversation on how God is providing as we:

- Live into God's call to care for our neighbors;
- Welcome the stranger;
- Speak and act against forces that discriminate, bully, and endanger others;
- Share our resources creatively;
- Rest;
- Consider our budgets for 2026 and beyond;
- Forgive our enemies;
- Steward our property
- And so much more.

While we don't know what is next, we do know this, God is here and God is working through each faith community in the NWWA Synod, bringing us together and leading us beyond, always present, always grace-filled. Always. Always. In these uncertain and fraught times, may you be filled with trust and hope. May the promises of God's radical grace, love, mercy, justice, forgiveness, and hope be with you always as we enter into this future together.

In Christ's Love and Grace,

+Bishop Shelley Bryan Wee

Financial Snapshot

General Budget Income: 184,628

General Budget Expense: 177,882

End of Year Loss/Gain: +6,746

2025 Beyond Budget Expenses:

- Parsonage Windows
- New Computers
- Expenses for Luther's Lounge Flood Damage

The Parsonage window replacement and new computers were a planned, beyond budget, expense. We held a Capital Campaign to raise the funds needed to cover these costs. Thanks to your generosity, we met our goal and have the funds raised to pay for the windows and new computers.

Thrivent Action Teams are \$250 grants available to Thrivent Financial members. These grants provided financial support for all of our outreach ministries at Mt Si. This year Thrivent Action Team support totaled **\$4,250!** These grants supported ministry such as Farmers Market, Garden of Giving, Fall Family Festival, Advent Worship, Youth Ministry and more. Thank you to all who offered to apply for an Action Team.

This year we also continued ongoing “noisy” offering the first Sunday of the month for the upcoming Belize Mission Trip in February 2026. With our partners at Sammamish Hills and Cross of Christ we set a goal of raising \$10,000 for mission projects in Belize. The noisy offering along with special bake sale tickets at Mt Si raised \$2,000. Our joint pot pie fundraiser brought in over \$3,000. A special gift from Sammamish Hills for \$2,000 and from Cross of Christ for \$3,000 brought us to our goal and beyond.

Looking ahead to 2026, we received a \$5,000 gift to help cover costs of Luther's Lounge flood repairs and drainage/foundation improvements. Council voted to bring a request to the congregation to expend up to \$10,000 of the Memorial Fund to cover remaining costs. At year end, the Memorial Fund balance was \$16,000. If members feel moved to help offset the cost of the repairs and improvements, we welcome those donations. Please put “Flood Repairs” in the memo of your check or online gift.

| Pastor's Report

Grace and peace to you,

What a wonderful year of ministry at Mt Si. Thanks be to God!

Personally, I'm grateful for the work done at the parsonage this year. Having the upstairs bathroom fixed after a leaky toilet, having insulation installed in the crawl space (nothing was there before!) and replacing windows with broken seals has truly made a difference in our experience living in the parsonage. As the winter approached Doug and I could instantly tell the difference in how cozy the house is. We are so thankful to have such a beautiful place to live. Thank you for continuing to care for this essential property. What a blessing!

Doug and I continue to make our own improvements to the parsonage property with our own monies. We've added a permanent fence along half of the backyard. We plan to complete that work this year. Other work outdoors over the years have included the firepit, pizza oven and stone pathway. I also do my best to keep up the garden area and creek near the parsonage to keep the grounds looking their best.

It was another full year of ministry at Mt Si. It is a joy to see new and returning families find a home at Mt Si. It is a joy to see ministries like VBS grow (23 kids this year!) and see others continue on like Farmers Market and Holly Days. This congregation has found a niche in connecting with young families in the valley. I pray that the Spirit guides for how to build deeper relationships with these families so we can better serve them and our community.

I appreciate the support of this congregation as we've tried new things in worship such as using materials from Worship Design Studio for Advent and taking 12 weeks to study the Book of Acts together. Thank you for giving me permission to be creative in worship. I'm also grateful for new voices and instruments in worship with the addition of Jennifer and our youth, Nellie and Kelsey. Thank you to Dave continues to be a steady rock of music support for so many years.

This year saw increased collaboration with the Eastside Lutheran Church Community (ELCC) and the youth and family ministry arm of our conference, Eastside Lutheran Fellowship (ELF). Jack Boller and Bud Pierce serve on the Advisory Board for the ELCC. We continue to engage in shared ministry in areas where it makes sense for Mt Si. The ELF team has provided many opportunities for our youth to engage with all of our youth participating in at least one shared event this past year. I pray this shared youth ministry is a blessing to our families.

I believe Mt Si is in a wonderful place as we move into the future. I feel the Spirit alive and well among you and the work you are doing. I look forward to our focus on prayer in 2026. I trust the Holy Spirit will work through this effort to build up the Body of Christ for the sake of our neighbors.

As you reflect on 2025

- what is one ministry memory that sticks with you?
- what is one faith learning that you will hold onto?
- what is one new relationship within the community you were able to foster?

I continue to give thanks to God for you and our ministry together. Thank you for this continued opportunity to serve as we enter into our 9th year together.

Peace
Pastor Krista

ERICA & PR. KRISTA

The Snoqualmie Valley Food Bank reached out to Mt Si to ask if we could host a Spice Packing event to pack hundreds of pounds of spices into smaller 3oz containers. Ministry Highlights

FARMERS MARKET EVANGELISM & OUTREACH

We again hosted a free craft booth at the Si View Farmers Market from June to early September. We welcomed at least **80 kids** each week to the booth. Thank you to all the faithful volunteers who showed up to talk with children, their families and supervise the crafts. This ministry is making a significant impact in the wider community. Thank you for your support.

VACATION BIBLE SCHOOL EASTSIDE LUTHERAN FELLOWSHIP TEAM

This year we again teamed up with St. Luke's, St. Andrew's & Sammamish Hills to pool our leadership and resources to offer the same VBS in three locations. Splish, Splash: Water & God's Word was our theme. Mt Si welcomed **23 children and youth**. Thank you to all our Mt Si volunteers who made it possible to host such a wonderful event for our community.

GOD'S WORK. OUR HANDS. EVANGELISM & OUTREACH

This year the Daughters of Norway provided delicious treats for GWOH fellowship. A team then went to the new SVFB location to clean-up the grounds. For those who stayed at the church we reorganized storage rooms, moved the prayer room and put together new Welcome Bags for visitors. Mt Si has participated in this National Day of Service with the ELCA since its beginning, 12 years ago.

FALL FAMILY FESTIVAL FAITH FORMATION TEAM

This year we embraced a name change for the longstanding "Harvest Carnival" to the "Fall Family Festival" with the goal of advertising more effectively to the wider community what this event is all about. Trunk-or-Treat, a cupcake walk, chili contest, costume parade, crafts and more created a fun-filled day. We welcomed many new faces from the community including a family who wished to do a trunk!

HOLLY DAYS EVANGELISM & OUTREACH

Mt Si has participated in Holly Days from the very beginning back in 2011 - that's 14 years! This year we were back outside - but the weather cooperated (outside of an early gust that nearly took the tent away!). We made ornaments and handed out Christmas Cards to over 100 kids. Thank you to all who make this event possible each year.

Ministry Highlights

MAY YOUTH WEEKEND

EASTSIDE LUTHERAN FELLOWSHIP TEAM

We had the joy of participating in the annual May Youth Weekend at Holden Village. Youth from our conference traveled together to participate in a weekend with over 100 youth from across the Synod. We enjoyed the worship, presentations and wonder of the wilderness surrounding Holden Village. Thanks to Leslie for serving as a adult leader on the trip!

TINY HOUSE BUILD

EASTSIDE LUTHERAN FELLOWSHIP TEAM

This was our second time hosting a Tiny House build at Mt Si over the summer. Youth and adults from 6 congregations helped build over two weeks. The home went to LIHI in Seattle to be part of one of their Tiny Home villages. Youth also made tie blankets for Sophia Way, helped sort Backpack supplies and built a path for the preschool! Over 15 youth and a dozen adults participated.

FALL YOUTH GATHERING

EASTSIDE LUTHERAN FELLOWSHIP TEAM

The Synod Fall Youth retreat is organized by local youth leaders. I was asked to lead worship again this year, which was a blessing! Over 50 youth gathered from around the Synod to participate this year at Black Diamond camp. Our theme was, "Finding God in Unexpected Places," We look forward to next year!

QUILTERS

JANEY B.

The quilters group have been busy this past year making full size quilts for Lutheran World Relief. These quilts are sent to disaster relief areas all over the world. There are 4 consistent quilters making the quilts tops. We all make a quilt top at home, as we are able, during the week. We then meet in the quilting room on Monday mornings at 9:00 to sandwich the quilt tops with a bottom (usually a sheet cut to size), then batting, and then the quilted top we sewed at home; then we tie them together with yarn. We delivered 43 quilts last spring to LRW. So far, we have 28 more to send this spring, for a total of **71** in a year. We have a good time visiting with each other as we tie the quilts together with yarn on our weekly get togethers. We welcome anyone who wants to make quilt tops at home (simple squares sewed together) or those that may only want to come and tie the quilts together with a needle and yarn. This is a ministry from our church that serves many who are caught in earthquakes, war zones, floods, fires, or any other disasters. Submitted by Janey Benson

GARDEN OF GIVING

TERRY A.

This year was a great year for Mt Si Lutheran Church's Garden of Giving with 780 pounds of food donated to the Snoqualmie Valley Food Bank, but none of that would have been possible without all the people that helped and contributed to the garden this year. The year started off with Scott from Preston's Farm Among Us Nursery donating 30 tomato plants for the garden. Burnside and Rodriguez donated Thrivent cards that helped purchase garden supplies. Tom & Inge Burnside, Courtney Adams, Jack Boller, Ray Wambsganss, Jeff King, and Pastor Krista, and members of the community helped with preparing the garden for planting and helped to plant the vegetable starts and seeds we had. Several members from our church had garden plots this year, along with 3 members of the community and the Mountain Valley Preschool. Each week, the preschool sent home a zucchini with a student, and they were responsible for making a zucchini snack to share with the class—I heard zucchini bread and zucchini crisps were favorites. With all the tomatoes and beans this year we needed some help harvesting--several weeks we had over 50 pounds of tomatoes. A number of people from the congregation came out to pick vegetables with Inge, Mike, and myself. One week, we even had the preschool help out and pick carrots. After the harvest season was over, Dave VanHandel and Mike Buckmaster helped load a bunch of donated pavers to help keep rodents out of the greenhouse, and Dave donated gravel that we used to level out the ground before the pavers were installed. Thanks to everyone who supported the garden this year and if you are interested in having a plot next year, just let me know.

Financial Secretary

On-line Giving

Mt Si Lutheran continues to offer an automated payments. We are working with a NEW company starting in 2026 by the name of **Tithe.ly**. We will no longer work with Vanco after Feb 2026. The new company offers better options for online and automatic giving as well as cheaper fees. It is a convenient way to contribute to the church. Contributors sign-up, then set and determine the amount and frequency of their gift (weekly, semi-monthly or monthly). The Contributor designates the gift to come from their checking, savings or credit card account. These gifts are then automatically deposited into Mt Si's accounts. For those who choose to use a credit card, the church does incur a fee for processing, but you have the option to cover that fee as part of your giving if you wish. This is a safe, convenient and easy way to make your church offerings. Online giving offers Mt Si greater financial stability, less bookkeeping and can help foster good stewardship.

Women's Ministry/Hospitality

Mount Si Women of Christ/ Hospitality Ministry

Purpose Statement: As a community of women created in the image of God, called to discipleship in Jesus Christ, and empowered by the Holy Spirit, we commit ourselves to grow in faith, affirm our gifts, support one another in our callings, engage in ministry and action, and promote healing and wholeness in the church, the society, and the world. We commit ourselves to come together for study, support and action.

The Mount Si Women of Christ accomplished the following in 2025:

- The Monday Bible study is a wonderful way for women to join together to grow in Faith together. It meets from 12:30-2:00 PM. All women are welcome.
- We work hard to celebrate and support what is occurring at the church. We decorate Fellowship Hall for the seasons of Advent, Christmas, Lent, Easter, spring, and fall but also for big events like God's Work, Our Hands Sunday, VBS and the Harvest Carnival! Our goal is to make it bright, clean and welcoming.
- In February, women & men gathered for a special contemplative Winter Retreat. Attendees enjoyed a time of building relationships and re-centering, together, on Jesus.
- During Lent, the hospitality committee prepared the kitchen and fellowship hall to host the Lenten soup suppers.
- In September, many provided the meal and then continued and volunteered for "God's Work, Our Hands" Service Sunday.
- In November/December, MSLC was asked to collect toiletry and personal care items for Mamas hands families. It was a wonderful way to share our blessings with the families as we collected over 200 "Comfort & Joy" items!
- Women's ministry through the Hospitality committee has the privilege to hold memorial dinners for our congregational members as well as for other members of the community with no church home. This year, we provided memorial meals for members Joan Moe & Paul Ritzenthaler as well as for family members Linda Lavigueure & Lenel Markee. We continue to feel this is one of the most important honors and forms of Evangelism we can have and plan to continue to do so in the future. We are always looking for ways to organize these events and make them more accommodating to all involved. Thank you to everyone who provides food and service.
- Throughout the year, the hospitality committee works to help set up the kitchen /fellowship hall/library for the events of the church as well as for coffee hour each week. We work hard to keep the kitchen space clean, organized and welcoming to all ministries and partners who use our facilities. We are excited to be welcoming groups like AA, Mountain Valley preschool, ELF events, the Red Cross, Girl Scout groups, Girl Scout leaders, Life Screening and the Daughters of Norway.
- The Mount Si Women of Christ and Hospitality Committee are looking forward to see what God has in store for us in 2026 as we continue to Serve, to Reach out and to grow in Grace with the other members of Mount Si Lutheran Church.

Respectfully submitted,
Courtney Adams

Belize Report

In March of 2025, members of Mt. St. Lutheran and Sammamish Hills Lutheran, along with a group from South Dakota came together for our second mission Trip to Belize. We were received with open hearts at Alvin L. Young Nazarene High School, by students, staff, and particularly by Pastor Eric Reyes. On a bittersweet note, Pastor Eric left to be with Jesus in October of 2025. We will hold his memory close until the time when we will join him.

Through construction projects, sewing classes, painting, ministry and friendship, we were able to grow in grace, building on our successes of the 2024 Mission. Support and generosity from both congregations and those from South Dakota made our trip possible, allowing us to donate not only our time, but equipment and supplies as well. Laptops, sewing machines and supplies, power tools and building materials were among the items we were able to provide.

We cherished the opportunity to immerse ourselves in another culture, and found that like us, Belizeans carry God in their hearts from day to day.

As we prepare for Belize Mission 2026, we understand that while we act as a group, it's the individual relationships we build between ourselves, our Belizean friends, and God that is the true mission.

As members of the mission team, we represent God, our respective congregations and communities, and realize that we are just a small part of the process, and without which, these missions would not be possible. Please accept our sincere, humble thanks.

Stewardship & Finance

Mount Si Lutheran Church Stewardship and Finance Committee Annual Report 2025

Mission Statement

The Stewardship and Finance Committee's mission is to initiate programs that develop scriptural stewardship attitudes and actions among church members and to oversee use of the time, talents, and finances of our congregation.

Stewardship

The Congregation did a fantastic job supporting the continued operations of Mt Si Lutheran. Members continued to support the church through the various available options (online giving, mailed donations, and Sunday Service Plate Offerings). It might be time to consider resuming the regular Sunday Plate offerings in 2026 (passing the plate).

We launched a Capital Campaign Fund in 2025 to raise funds for new windows for the Parsonage and new church computers. Our goal was \$20,000 and the congregation exceeded our goal with a total of \$20,665 ; Awesome job. Maintenance and refurbishing will continue to be a need in the future and made all too evident with the recent water damage to the church basement. A note that \$5,000 of monies raised are set aside for Luther's Lounge per the donor's request.

The focus for all will be continued growth of our Congregation in 2026. Welcoming new members to the Congregation will continue to be an important goal of the Congregation. We trust the Holy Spirit will work through our ministry. Finding ways to merge activities and reduce costs with our "cluster" churches continues to be dynamic process. There has been great collaboration between the churches.

Finance

The Treasurer Position again was handled by Jeff King in 2025. We greatly appreciate Jeff and all his expertise with all our financial reporting functions. Leslie Hatling continued as our Financial Secretary for 2025 and does a great job!

We are very excited to have new members Laura and Kurt Holmes join our Stewardship Team. They both have extensive church financial expertise. Jeff has been training both Laura and Kurt on the financial intricacies of Mt Si Lutheran. Laura has experience with Net Suite (our financial platform) and she has been assuming many of the weekly duties previously handled by Jeff.

Pastor Krista and Leslie Hatling along with Jenna Rhyne have been very busy this Fall converting us from Servant Keeper to Tithe.ly. This platform will be much easier to use for all and less expensive than our current platform for giving, record keeping and our web site. Information and instructions will be available soon to assist the congregation with changes needed to be made for online giving as we separate from Vanco

Some 2025 Financial Fun Facts:

We have \$69,902.77 in our checking account as of 12/31/25. At the end of 2024 our balance was \$40,097.68.

Ytd Income \$225,304
Less: Memorial/Endowment 18,040
Designated Funds 22,636
Net Ytd Income \$184,628

Ytd Expenses \$194,982
Less: Parsonage Windows 15,306
Computers for Office 1,794
Net Ytd Expenses \$177,882

As the above illustrates, we had a tremendous response from the congregation to meet the needs of our church and community. About \$40,000 of the donations received were designated contributions meaning that money was not available for our general expenses. Our available income for expenses was \$184,628 and our general expenses were \$177,881.

Pledge Cards

As of 1/12/25, we have received pledges from 18 families/giving units totaling \$108,020 for the 2026 fiscal year.

3. Facilitate and prepared the annual Congregational budget.
4. Review and recommended approval for scholarships.
5. Distribute semi-annual statements.

2026 Goals

1. Continue to promote On-Line / Automatic Giving with our new Tithe.ly platform and our new web site via checking account or credit card.
2. Keep record keeping up to date (i.e.: members, baptisms, funeral, etc.)
3. Continue to promote Endowment Fund and ability of donors to donate stock through our brokerage account with Thrivent.
4. Help improve pool of counters to count and deposit church offerings. Especially needed if we restart regular plate offering in 2026.
5. Continue to explore cost saving opportunities with our Cluster Churches.
